COMMENTS FROM PAST ATTENDEES

"Safety is so important to my business, and these guys know safety. I learn new safety practices at every meeting."

- Sean Benoit, PSC

"I really like the fact that the meeting centers around jetting and industrial cleaning. I don't have to spend hours trying to pick out vendors who actually know something about my business."

- Jerry Biehl, IVS Hydro, Inc.

"I enjoy the new topics and research we learn and meeting other people in our business."

- Victor Zenon, Pelichem Industrial Cleaning Services

"The live demos are great! I saw first-hand how well the tube bundle cleaning systems operate, and I got to compare different systems before making a buying decision."

- Mark Blanchard, Waterworks

"This is the only meeting I know of that focuses on the things I need to serve my plant customers better - safety information, industry contacts, and new products and equipment."

- Denny Barton, Heintzmann Corporation

"I listened in on some of the R & D paper presentations out of curiosity and ended up coming away with a solution to a hydroblasting problem. The paper presentations are a real bonus."

- Dee Green, Inland Industrial Services Group, LLC
